

LIFE CHANGING ADVENTURE

LOOKING FOR A SUMMER JOB?

JOIN THE TEAM AT LUTHERDALE

Working at camp is one of the most meaningful and impactful jobs you will ever have. Your leadership skills will grow, your conflict resolution understanding will deepen, and you will gain life-long friends. At camp, we are looking for young adults who love God and want to serve in a role that will allow them to grow in their faith, and share the love of Jesus with others. Being a part of camp staff creates opportunities to build valuable tools for life: communication skills, problem solving, creative thinking, teamwork, and more!

Most importantly, we are looking for summer staff that are willing to walk with kids on their faith journey during their time at camp. Our staff keeps the physical, emotional, and spiritual safety of all campers a top priority. At Lutherdale, we believe that every child deserves to be welcomed, accepted, known and celebrated in a Christ-centered environment. Our staff are committed to celebrating campers for exactly who God made them to be.

We are seeking staff who are ready to embrace the outdoors, be faith role models, sing silly songs, and give kids the adventure of camp!
